## Additional Information for Parents

### Purpose:

Mosaic is a church that values children and their creative potential. Part of the mission of Mosaic is to give and serve internationally as an extension of our love for God and humanity. Art Camp ties these two values together by teaching our children to care for communities beyond their own.

### Goals:

Mosaic Art Camp will teach young children about different kinds of art and culture from around the world. Children will also learn how to pray for the regions and people discussed each day.

### Art Projects:

Each day we will learn about a different area of the world. We will learn about parts of Africa, Asia, Europe, Central America, and the U.S. and meet people who have lived in each culture.

### What should my child wear?

We will be working with all kinds of media so please wear clothes that can get messy, like the Art Camp shirt!

### What is the cost?

\$35 pays for supplies, an Art Camp shirt for your child to keep, volunteer training, and use of the facility.
